Nancy -
May all your April 27th
be happy (April 27 is right,
isn't it?) May you not
flunk Geometry 3 next
year because the captain
is stupid. May you get a
new cover for your
speech book. May you
someday get your
geometry book back
(in condition compa-
rable to what we had
it in). May you stop
going to LSD parties.
But above all, may
you never forget who
sat in front of you
not in geometry.

Goldenrod, Gesundheit!

Where is Dick Chaplin?

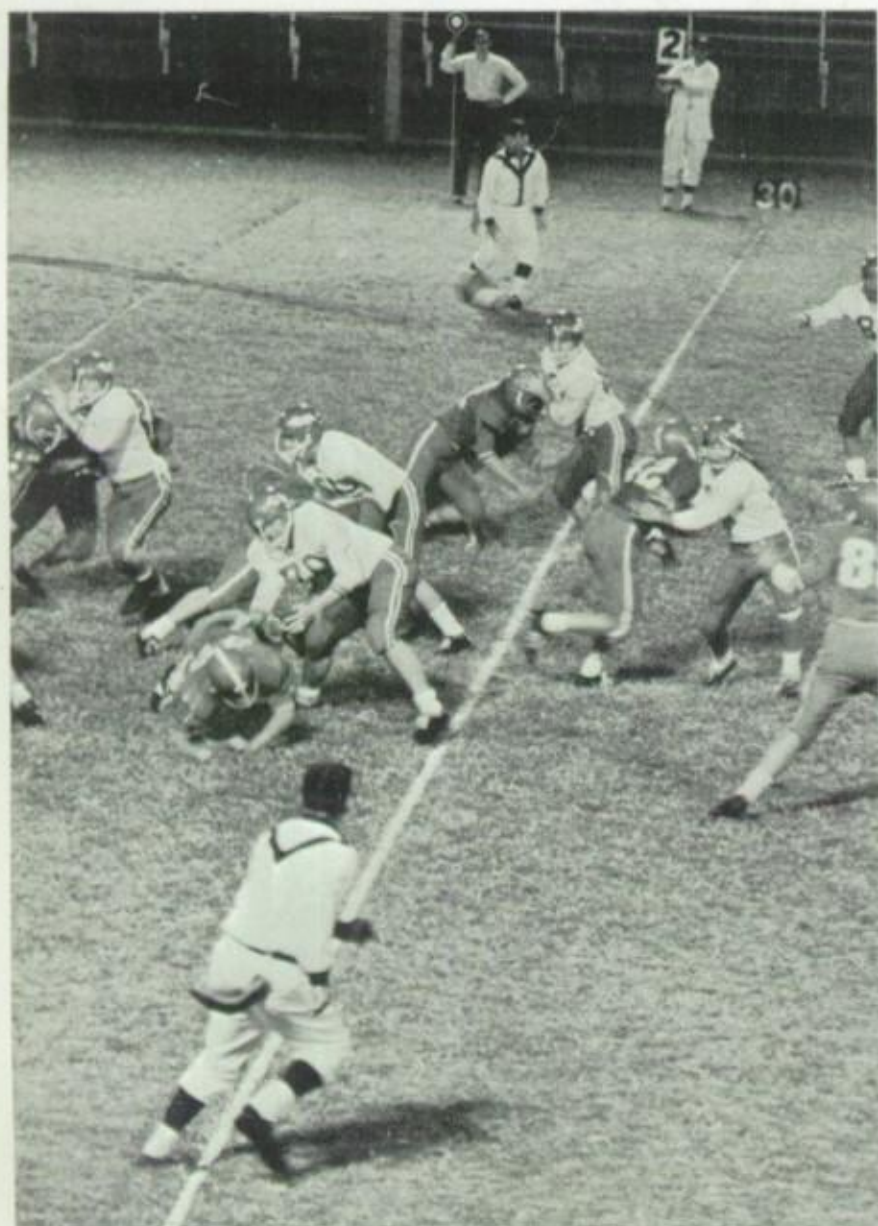

Bend and stretch, reach for the stars, here comes Jupiter, there goes Mars.

Hillcrest High School's new exchange students from Cuba.

First Franklin, now Hillcrest, Next—the world!

The Red-White game last spring revealed to the astute Dallas Newspaper predictors that Hillcrest would win a grand total of 2 games in the '65 football season.

Now, some of you will be coming up for Parole this spring . . .

S P R I N G

And you ask me why Senior girls don't get dates?

SPRING is . . .

Lynn Wisenbaker welcomes Hillcrest's new exchange student Marianne Johansen.

Boom, boom, clique, clique

"Pardon me ladies, would you do a test for imperial Margarine?"

I hope I finish this in time for show and tell.

Remember when this was pocket money?

By now you've probably come up in the world. But chances are you're still carrying loose money the way you did way back when.

Ever thought about opening a checking account?

Commonwealth National Bank has one especially for you. It's called a "Cap 'n Gown" account. You get your own personalized checks.

And there are no service charges or minimum balance requirements. We defray the cost by an initial charge of 5¢ per check instead. A minimum quantity of checks is 50 so the cost is \$2.50 plus 5¢ tax.

Come see us. And get a sound start on your financial future...even if you're still in the 50¢ category.

And, chances are this college age student in India won't be able to enjoy these things for some time . . . if ever. In his country, electricity is still a luxury. Even though India has tripled its use of electricity in the last ten years, most things are still done by hand. And the standard of living in India, compared to countries who use large amounts of electricity, is still low.

You see, a country's standard of living is closely related to its use of electricity. And the hundreds of mil-

lions of people in the entire nation of India use little more electricity than do the people in *Dallas*!

The abundant supply of low cost electricity in Dallas helps you enjoy a better way of life, every day. Next time you switch on a light or use an electric appliance, remember that much of the world's population still lights with lanterns, and does laundry in a river.

MEN. ENLIST NOW.

FOR THE COLLEGE INN AT NORTH TEXAS STATE UNIVERSITY

All right, men. Especially you new men. I'm only going to tell you this once. You're going up to this North Texas State. And it's going to be tough. Real tough. You're going to have classes, tests, books. You're going to need a home base. A place where you can noodle it out. Now men, repeat after me: The College Inn has quiet, private and semi-private rooms and baths. Good chow in its own

cafeteria. Carpets on the floor. Maid service. Air conditioning. That's it. Now, you're going to have fun, too. 'Cause there's a big swimming pool. TV lounge. Recreation room with ping-pong and pool tables. Entertainment area. You can stay at this place for as little as \$82.50 on their payment plan. And it's only a block from the campus. Okay, men, let's hear it for The College Inn. Dismissed.

Stern
You is deformed.
Love,
Harriet

Nancy, you're really a
great girl - the
best I've seen in my
years. You're such
a great person. Love,
S.K.S. 66

Nancy, You've been
a pain in the neck all
year in biology. You
talk too much, you
complain too much, you're
a little bit over the top.
But... I have grown
to kinda like you. I
guess it is because
I feel sorrowfully for
you. Anyway have a
good time this summer and
good luck always
Robert A.

Stern-

It's been fun in
Biology & English this
year. Don't ever let
your hair grow out.

Love ya -
Kail

It's been nice
knowing you.
Remember -
Nancy, nice
home room?
ones. Noted!
Love ya,
Nancy

Nancy -
You're the sweetest
I've ever met! but I
enjoyed knowing you. You're
almost not a sophomore any-
more. Look back on this
wonderful year with a positive
attitude: it will never be
here again! (Thank goodness!)
Good Bye Always!
Love, Juliet
(5/1/66)

Nanci
So a girl I
am proud to call a friend.
Keep up your great personality
& you'll go far.
Good luck in the future
because you deserve only
the best. Anna

Nanci -
You're one of the
~~best~~

Nancy -
It's been so much fun
being with you this year.
You really a cute girl with
a "boss" personality, keep
it up. Thanks for all the
help on biology & English.
~~You~~ Have fun this summer,
and be good. . . . if that's
possible!

Love ya -
Gabriel

Nancy,
You're a real
sweet kid
always stay
